CAVIAR

★ **OONA CAVIAR - N° 103**
traditional

30 g	50 g
90	150

With a maximum salt content of 3.5 per cent, it is lightly salted and develops its nutty, characterful flavour perfectly. This caviar is also characterised by its homogeneous colouring and round grain. The fine melting texture and intense, delicate nutty flavour make Oona Caviar N°103 - traditional a wonderful accompaniment to champagne. The caviar brings out the fine flavour nuances of sun-ripened fruit in champagne even better.

OYSTER

Wednesday & Thursday only

★ **GILLARDEAU N3**
with homemade vinaigrette

7,5

From the side of the Ile d'Oléron facing La Rochelle comes a top-class oyster - the Gillardeau. It is a „deep“ oyster and belongs to the Portugaises genus. Above all, however, it is a „Special de Claires“ and thus one quality level above the well-known „Fine de Claires“.

THE GILLARDEAU OYSTER CAN BE ORDERED INDIVIDUALLY.
